working or attending institutions of higher education. The children come from very diverse family structures. The majority of households are headed by young parents holding entry-level jobs who are seeking a way out of poverty. Grandparents, foster parents and other relatives have also taken on the role of parenting.

To support and encourage our families' efforts to stay employed and/or continue their education, The JRC Learning Center is open year round, weekdays from 5:30 a.m. to 6:45 p.m. Infant and toddler classrooms, preschool, and before and after school enrichment programs are designed to encourage a passion for life-long learning. It is proven that investing in early childhood development greatly impacts success in life. Providing quality, flexible early education and care is a vital support that enables a child's and a family's progress toward economic stability and self-sufficiency.

The JRC Learning Center is a 5 star quality rated center according to State of Ohio Step Up To Quality standards. Step Up to Quality is a voluntary quality rating system for early childhood education programs licensed by the State of Ohio. Step Up to Quality recognizes and promotes programs that meet quality benchmarks and best practices for early education and care. Of the 95 approved centers in Stark County, JRC Learning Center is one of only seven (7) 5 Star Centers offering quality early education and care for children.

Promoting successful growth and development of children has been a stated goal of JRC for many years. JRC teachers employ curriculums that aligns

with Ohio Department of Education Early Learning Content Standards. Our initial outcome is that children will engage in developmentally appropriate activities that reflect best practices in early education and care in a high quality environment. Our primary long-term outcome is that children who consistently receive high quality education and care will increasingly display high levels of school readiness. In FY2016, 214 infants, toddlers and preschoolers participated in these early educatonal activities.

The Before and After School Program and Summer of Excellence Program for elementary school children offers academic and enrichment activities that support and teach academic achievement, teach and model personal and social responsibility, expose children to a variety of intellectual, physical, emotional, and social experiences and keep kids safe during peak risky behavior hours after school and throughout the summer. In FY 2016, 148 children participated in the school age program.

JRC Learning Center implements Healthy Habits for Life to address childhood obesity which is more prevalent in lower income communities. The Healthy Habits Fitness program was implemented to provide training materials for teachers to integrate fitness activities into the curriculum, providing the children 60 minutes of fitness activiies per day. Quality non-processed foods in 90% of meals served remained a major initiative of the JRC Learning Center in FY 2016.

Note: Planning began in FY2016, and ended in September 2016 with the installation of new carpeting and flooring throughout the center.

JRC Learning Center is a United Way agency and a BBB accredited charity.
