Your donation is so valuable to us. For our members at the JRC Adult Day Center, it means travelling on wonderful field trip two to three times per week.

In August, we were able to take a bus full of members to the Akron Rubber Ducks game where they had an amazing time out in the sunshine and fresh air. One of the members was scheduled to attend but her son forgot to tell her she had a doctor appointment that day and was unable to go.

The next day a staff member heard on the radio that used tickets could be resused the next day for another game.

How could they pass on this great offer? The next day they were off to the ballpark again for the afternoon game and guess who was added to the trip - YES - the lady who had missed the trip the day before!!

Way to go JRC Staff!

Way to make each of our members feel important. They all matter!

Field trips are so important to our members as they exercise with movement throughout the trip, socialize with friends, cultivate new friendships and sightsee and learn more about events and venues in our wonderful community....

Enjoying the Rubber Ducks!

Two members were exercising in disguise.
